

Instructions for Gift Certificates

To give the gift of an **Art Class** you may print out one of the Gift Certificates listed online.

If you are unsure of which class your loved one will enjoy, you can decide together! Simply present the printed Gift Certificate to the student now and once you've chosen which class they would like to attend, together you can register online at www.MintHillArts.org. Use their information as the Student and your information as the Payee.

If the student is a minor, please include the guardian's name and contact information so that the instructors can follow up with pertinent information.

For any questions regarding the registration process please contact our registrar at registrar@minthillarts.org.

Thank you for supporting Mint Hill Arts!!
